## WU CHANG CAPITULATES TO THE IMPERIAL FORCES

Remarkable Success Attends Advance of Lieut-General Feng, who is Directing Operations of the Imperial Troops under Instructions from Yuan Shi Kai.

Tokio, China, Nov. 24.—Lieut. Gen. Feng, commander of the Imperial troops at Hankow, telegraphed yesterday that he had occupied the whole of the city of Han Yen at 5 o'clock yesterday morning. The Lieut-General's troops, under the command of the revolutionary leaders, surprised their troops to negotiate for a truce and suggesting some slight alterations in the government program.

The government is endeavoring to secure the safety of its officials at Hankow, where the fall of the city is imminent. There is much jubilation in official circles over the success of the Lieut-General. Kuo Chang merchants are overjoyed at the prospects of a resumption of business, and are requesting the government with the removal of the most terrible measure to the lives of foreigners in the hands of the country.

**Piracy Still Prevails.**  
Hong Kong, Nov. 23.—The West river is still referred as the most dangerous and passes traffic because of pirates who frequently attack vessels passing along the river. Since the prevalence of piracy on Shantung river, the military government of Canton has sent a deputy to the 14th.

### AROUND THE CITY

Knights of Columbus are asked to remember the memorial service to be held in St. Joseph's School Hall in memory of Harry J. Sullivan and Mr. McLeod.

The city presented a small Christian gift to each of the 1000 men who responded to the beginning December 1st in the Douglas Co., Ltd., while they were engaged in their work with a full staff.

The city health authorities have been faced with a smallpox epidemic as no further cases have been reported since the arrival recently of several physicians sent by the health department physicians and citizens have been on the alert to avoid a possible epidemic and this has resulted in strict quarantining cases.

Information was received in the city yesterday that a man named Jim Craig, a cook in one of the construction camps near Edmonton was found dead at the bottom of the ravine between Edson and West. A coroner's jury reached a verdict of accident death to bring him over to a train.

He had been working on the road and buried at the expense of the contracting company for which Craig was working.

A syndicate of English capitalists

### COURIER DE L'EST BUILDING BURNED

Blast Broke Out in Three Thousand  
Pounds—Firemen Almost Helpless as  
Result of a Break in the Water Main.

Shortly after three o'clock this morning fire broke out in the two stories of the building on Second Street, opposite the Hotel Alberta, occupied by the Courrier de l'Est. The cause of the fire is not known, but it is believed to have been due to a break in the water main.

The pressure which was at 125 pounds dropped to 50 and the street was flooded with water. The firemen were unable to get a hold of the hose and even then the streams were of little use. The firemen had difficulty in getting the fire under control, but eventually it was extinguished.

The cause of the fire is unknown but it started in the rear of the building where there was a great deal of lumber.

For First Session in New  
Capitol Building.

### AMPLE ACCOMMODATION IN GALLERIES FOR PUBLIC

Admission to Floor of House and  
Speaker's Gallery Will Be  
By Ticket.

Arrangements for the opening of the Legislative Assembly on Thursday afternoon at three o'clock are now practically complete. The legislative chamber, which the new building is ready for occupation, the desks of the members and the galleries seats are all in position. The platform across Saskatchewan Avenue has been finished and a temporary flooring laid. As far as possible the platform is approached by way of Seventh street, as well as from Ninth street. Entrance to the galleries will be through doors from the front of the building through the main corridor and round and up the stairs. The galleries are completely concealed behind cornices. Staircases on either side lead to the galleries.

Thursday afternoon, at three o'clock, promises to be a ceremony of unusual interest, because of the fact that the house will be in the new capitol building. The chamber, finished in pure white, with green and gold decorations, will be a brilliant spectacle when illuminated by the numerous lights which surround the walls, and our eyes are arrested by the concealed cornices. The galleries will provide accommodation for representatives, and the platform chairs will be placed on the floor of the house for the opening.

The galleries will be open to the galleries on the right and left of the house. The gallery on the north is reserved for the members and their friends, that on the south side is exclusively for representatives.

Tickets of admission to the floors of the House will be issued by the Speaker, Mr. W. Fisher, of Band, who has charge of the opening arrangements, and who will arrive in Edmonton this morning.

### SAMUEL WHITFORD, SR. PASSES AWAY AGED 91

Founder of Old Settlement of Victoria and White Bear in Manitoba in 1811 is Dead—One of the Real Old-Timers of the West.

They "crossed the divide," a week at Edmonton, Alberta, at the ripe age of nearly 92 years, said Mr. Whitford, who along one of the pioresses of the west and the founder of the old settlement of Victoria, and known as "Uncle Sam."

Mr. Whitford was born in the Red River settlement, Manitoba, in the year 1819, and for many years had charge of the Hudson Bay Company.

Later, in company with other descendants of the Hudson Bay Company, he moved westward, and after the somewhat harsh rule of the great company, then the absolute rulers of the west, he removed to the Red River, now Manitoba, and founded a self-governing colony, dependent of the rule of the "Council of the North."

This new colony was governed by a council selected by the people, consisting of a chief magistrate and four commissioners, under which the late Mr. Whitford was one.

Early in the life of Mr. Whitford with his young family he moved east into the timber belt of Upper Saskatchewan valley and founded the settlement of Victoria in the present Province of Alberta, Canada, in 1841.

There he remained until 1848.

At that time still the property of the Indians, no treaties having as yet been made with them, he and his wife made the arduous journey back to the settlement of Victoria, now stands was made to Mr. Whitford by the noted Cree head chief, Medicine Arrow, to induce him to settle there.

There survive him, Mr. Whitford, his wife, Mrs. Whitford, his son, Mr. Whitford, father of William Whitford, his son, Mr. Pakan; Samuel Whitford, Jr., of the Saddle Lake Indian agency, and his wife, Mrs. Whitford, and the family of Mrs. Whitford, Mrs. Ed. Anderson, of Edmonton, and Mrs. Job A. Mitchell, of Prince Albert.

An upright and honorable man of sterling integrity, he was widely and favorably known among, and will long be remembered by, the people of the prairie provinces of Western Canada.
